ABOUT YOUR MONEY MARKET ACCOUNT

This disclosure statement was prepared in compliance with the federal Truth-in-Savings Act. This is a statement account from which withdrawals can be made in accordance with certain prescribed restrictions. Balances of \$2,500 or more earn variable-rate interest.

Minimum Balance to Open

This account may be opened with a minimum deposit of \$100 or more.

Interest Features

Rate in Effect as of Today:

Balances to Earn Annual Percentage Yield (APY)	\$2,500.00 - \$24,999.99	\$25,000.00 - \$49,999.99	\$50,000.00 - \$74,999.99	\$75,000.00 and over
Interest Rate				
APY				

Interest Computation:

We use the daily balance method to calculate the interest on your account. This method applies a periodic rate to the principal in the account each day.

Balance to Earn Interest

You must maintain a minimum balance of \$2,500 in your account each day to obtain the minimum disclosed annual percentage yield. If your balance is below \$2,500 on any day or days, you will not earn interest on that day or days. Interest begins to accrue on the next business day following the deposit of any checks. All other deposits begin to accrue interest on the day of deposit.

Annual Percentage Yield

The stated annual percentage yield assumes that the interest rate remains unchanged, and the minimum balance on deposit (together with all interest earned) is not withdrawn for the entire year.

Interest Compounding and Crediting

Interest on this account compounds every day. It will be credited to your account at the end of the last business day of the calendar month. If you close your account before interest is credited (prior to the end of the last business day of the calendar month), you will receive the accrued interest. However, your account can only be closed in person or by mail requesting "balance of account."

Variable-Rate Provisions

Variable Rate Basis

Your interest rate and annual percentage yield may change. The interest rate on your account is determined by the Bank, at our discretion.

Rate Change Frequency

We may change the interest rate on your account at any time.

Transaction Limitations

You may make unlimited transfers from your account to another of your accounts at the Bank, and unlimited withdrawals (payments directly to you) when such transfers or withdrawals are made in person, by mail, messenger, or by using the Bank's or a Shared Network Automated Teller Machine (ATM). Each month, you may make up to six (6) special withdrawals or transfers from your Money Market Account in any combination of check, draft, debit card (POS), preauthorized or automatic transfer (including ACH transactions), telephonic agreement, order or instruction, payable to third parties. Your account will be assessed a charge of \$20.00 for each excess withdrawal or transfer you make. We will provide you with a set of checks for check-writing privileges upon your request.

Federal regulations require that if you continually violate the above-described limits, we may have to close your account, or take away your ability to write checks on the account, or reclassify your account. We will notify you prior to taking any of these actions.

The following event will probably never happen, but it is provided for by law: Apple Bank can, at any time, require 7 days' advance notice that you intend to withdraw funds from this account. We can refuse to permit a withdrawal in such cases, if we have not received the required notice. This advance notice has never been required, nor is the rule likely to be applied.

Statements

We will not issue a passbook for your Money Market Account. Instead, each month, we will send you a statement showing all account activity during the previous month. This statement will include any interest earned, the annual percentage yield earned, and any charges incurred. If you elected the check writing option, paid and canceled checks will be held in safekeeping by the Bank. If you require photocopies of paid checks, they will be provided to you at the charge specified above.

You must examine the statement and notify the Bank within 14 days, in writing, of any discrepancies. If the discrepancy concerns an ATM or other electronic funds transfer transaction (federal recurring payments, payroll deduction, etc.) this notification period is extended to 60 days. If we do not hear from you within these time frames, we will assume the statement is correct.

ACH/EFT & Check Payment Order

On any given business day, when both ACH/EFT debits and/or checks are presented for payment against your account, Apple Bank will pay ACH/EFT debits first, followed by any checks presented. ACH/EFT debits will be paid in the order in which they are received by the Bank and then checks will be processed in the same manner. For example, if an ACH/EFT debit for \$300 is presented for payment and two checks are also presented for payment, the ACH/EFT will be processed first followed by the two checks in the order in which they were received by the Bank.

Additionally, other EFT transactions, such as point-of-sale transactions, will be posted to your account throughout the day as they are received by the Bank.

Charges to Maintain This Account

A maintenance charge of \$10.00 will be imposed every month at the end of the statement cycle if the balance in the account falls below \$2,500 any day of the month. You may write six checks each month at no charge. The account will be assessed a charge of \$20.00 for each subsequent (excess) check you write.

Other Charges

The charge for new check printing including micro-encoded deposit tickets varies with each order and is dependent upon quantity or style ordered. The same applies to an additional order of micro-encoded deposit tickets. There is a fee of \$20.00 for each excess withdrawal or transfer made from your account over the limit defined for you in the "Transaction Limitations" section of this disclosure.

See attached "other charges" specific to this account.
