

ABOUT YOUR STATEMENT SAVINGS ACCOUNT

This disclosure statement was prepared in compliance with the federal Truth-in-Savings Act to provide you with the terms and conditions of your Statement Savings Account. This is a savings account for which you receive statements. It earns a variable-rate of interest.

Minimum Balance To Open

This account may be opened with a minimum deposit of \$100 or more. IRA and Qualified Retirement Plan (QRP) accounts may be opened with a minimum deposit of \$5.00 or more.

Interest Features

Rate in Effect as of today Interest Rate Annual Percentage Yield (APY).....

Interest Computation

We use the daily balance method to calculate the interest on your account. This method applies a periodic rate to the principal in the account each day.

Balance to Earn Interest

You must maintain a minimum balance of \$250 in your account each day to obtain the disclosed annual percentage yield. If your balance is below \$250 on any day or days, you will not earn interest on that day or days. The minimum balance for IRA and QRP accounts is \$5.00. Interest begins to accrue on the next business day following the deposit of any checks. All other deposits begin to accrue interest on the day of deposit.

Annual Percentage Yield

The stated annual percentage yield assumes that the interest rate remains unchanged, and the minimum balance on deposit (together with all interest earned) is not withdrawn for the entire year.

Interest Compounding and Crediting

Interest on this account compounds every day. It will be credited to your account each quarter.

We will pay interest in accordance with the option you choose. (Age restrictions may apply on IRA and QRP accounts): ▪ We will add the amount to your account balance, OR ▪ we will send you a check (\$10 or more) for the amount, OR ▪ we will transfer the amount to another Apple Bank Savings, NOW, Checking or Money Market account.

If you close your account before interest is credited (prior to the end of the last business day of the quarter), you will not receive the accrued interest.

Variable-Rate Provisions

Variable Rate Basis

Your interest rate and annual percentage yield may change. The interest rate on your account is determined by the Bank, at our discretion.

Rate Change Frequency

We may change the interest rate on your account at any time.

Transaction Limitations

If any funds are distributed to you from an IRA or QRP account before you attain age 59 1/2, the distribution may have substantial unfavorable tax consequences as described in the documents delivered to you when you opened your account. Certain exceptions to these rules apply. Please consult with your own legal or tax advisor concerning all tax related issues.

Charges To Maintain This Account

A maintenance charge of \$4.00 will be imposed every month the balance in the account falls below \$500 any day of the month. This monthly maintenance charge does not apply to IRA and QRP accounts or to accounts receiving federal recurring payments. In addition, accounts established for the benefit of persons under age 21 (i.e., custodial accounts) are exempt from this charge. See attached "other charges" specific to this account.

ACH Payment Order

On any given business day, when two or more ACH/EFT debits are presented for payment against your account, Apple Bank will pay ACH/EFT debits in the order in which they are received by the Bank.

Additionally, other EFT transactions, such as point-of-sale transactions, will be posted to your account throughout the day as they are received by the Bank.

Statements

We will send you a statement each month when there is account activity, or quarterly if there is no activity. The statement will show all account activity during the previous statement period. This statement will include any interest earned, the annual percentage yield earned, and any charges incurred. Your account can also be linked to any of your Apple Checking or Money Market Accounts. This account and related periodic activity, will be included on the statements issued for the Checking or Money Market account.

You must examine the statement and notify the Bank within 14 days, in writing, of any discrepancies. If the discrepancy concerns an ATM or other electronic funds transfer transaction (federal recurring payments, payroll deduction, etc.), this notification period is extended to 60 days. If we do not hear from you within these time frames, we will assume the statement is correct.

Where You Can Get Further Information

Please feel free to contact any of our platform personnel with any questions you may have regarding the information provided in this disclosure or how it affects your account relationship with us. If you would like to telephone us for additional information or current rates, please call us at 1-914-902-2775.
