

ABOUT YOUR APPLE BANK BONUS SAVINGS ACCOUNT

This disclosure statement was prepared in compliance with the federal Truth-in-Savings Act. This account may be opened as a passbook or statement account and earns a variable-rate of interest. IRA and QRP accounts are not permitted to open BONUS Savings Accounts.

On each anniversary date of the opening of the account, as a bonus, an additional ¼ of 1% (.25%) interest (not compounded) will be credited to the account, calculated on the lowest account balance for the entire year, provided a balance of at least \$2,500 remains on deposit in the account on the anniversary date. Deposits made to the account on any anniversary date will be used to calculate the lowest account balance for the next anniversary period.

Minimum Balance to Open

This account may be opened with a minimum deposit of \$2,500 or more up to the maximum per household deposit permitted.

Maximum Household Deposit

A \$3,000,000 maximum per household deposit applies.

Interest Features

Rate in effect as of today:

Balances to Earn	Annual Percentage Yield (APY)	\$2,500 - \$24,999.99	\$25,000 or more
	Interest Rate		
	APY		

Interest Computation

We use the daily balance method to calculate the interest on your account. This method applies a periodic rate to the principal in the account each day.

Balance to Earn Interest

You must maintain a minimum balance of \$2,500 in your account each day to obtain the disclosed annual percentage yield. If your balance is below \$2,500 on any day or days, you will not earn interest on that day or days. Interest begins to accrue on the next business day following the deposit of any checks. All other deposits begin to accrue interest on the day of deposit.

Annual Percentage Yield

The stated annual percentage yield assumes that the interest rate remains unchanged, and the minimum balance on deposit (together with all interest earned) is not withdrawn for the entire year.

Interest Compounding and Crediting

Interest on this account compounds every day. It will be credited to your account monthly.

On each anniversary date of the opening of the account, as a bonus, an additional ¼ of 1% (.25%) interest (not compounded) will be credited to the account, calculated on the lowest account balance for the entire year, provided a balance of at least \$2,500 remains on deposit in the account on the anniversary date. Deposits made to the account on any anniversary date will be used to calculate the lowest account balance for the next anniversary period.

If you close your account before interest is credited, you will not receive the accrued interest.

Variable-Rate Provisions

Variable Rate Basis

Your interest rate and annual percentage yield may change. The interest rate on your account is determined by the Bank, at our discretion.

Rate Change Frequency

The Bank may change the interest rate on your account at any time.

Transaction Limitations

You may make unlimited transfers from your account to another of your accounts at the Bank, and unlimited withdrawals (payments directly to you) when such transfers or withdrawals are made in person, by mail, messenger or by using the Bank's or a Shared Network Automated Teller Machine (ATM). Each month, you may make up to six (6) special withdrawals or transfers from your account in any combination of draft, debit card (POS), preauthorized or automatic transfer (including ACH transactions), or telephone agreement, order or instruction, payable to third parties. Your account will be assessed a charge of \$20 for each excess withdrawal or transfer you make. Federal regulations require that if you continually violate the above-described limits, we may have to close or reclassify your account. We will notify you prior to taking any of these actions.

Pre-authorized debits are not permitted from Passbook Savings Accounts. You may make as many pre-authorized credits (i.e., direct deposits of Social Security) to your Passbook Savings Account and Statement Savings Account as you wish.

The following event will probably never happen, but it is provided for by law: Apple Bank can, at any time, require 7 days' advance notice that you intend to withdraw funds from this account. We can refuse to permit a withdrawal in such cases, if we have not received the required notice. This advance notice has never been required, nor is the rule likely to be applied.

Charges to Maintain This Account

A maintenance charge of \$10.00 will be imposed every month the balance in the account falls below \$2,500 any day of the month. See attached "Other Charges" specific to this account for additional applicable charges.

ACH Payment Order

On any given business day, when two or more ACH/EFT debits are presented for payment against your statement account, Apple Bank will pay ACH/EFT debits in the order in which they are received by the Bank.

Additionally, other EFT transactions, such as point of sale (POS) transactions, will be posted to your account throughout the day as they are received by the Bank.

Passbooks & Statements

Savings Account may be opened with either a passbook or a statement.

If your account is a statement account, we will send you a statement each month there is account activity, or quarterly if there is no activity. The statement will show all account activity during the previous statement period. This statement will include any interest earned, the annual percentage yield earned, and any charges incurred.

You must examine the statement and notify the Bank within 14 days, in writing, of any discrepancies. If the discrepancy concerns an ATM or other electronic funds transfer transaction (federal recurring payments, payroll deduction, etc.) this notification period is extended to 60 days. If we do not hear from you within these time frames, we will assume the statement is correct.

Where You Can Get Further Information

Please feel free to contact any of our platform personnel with any questions you may have regarding the information provided in this disclosure or how it affects your account relationship with us. If you would like to telephone us for additional information or current rates, please call us at 1-914-902-2775. For the speech or hearing impaired using a text transmitter, our TDD phone number is 1-800-824-0710.
